Make a difference that lasts

Our kennels at the Garden Route SPCA are always busy. Abused, neglected, abandoned and lost animals come in every day.

You can make a difference for those animals – a difference that lasts.

By sponsoring a kennel, for one month or one year, you will help us care for those animals.

When you sponsor a kennel, your name – or company name – will be displayed on that kennel. Our staff and volunteers will then know who to thank!

Just R90 per month or R1000 per year secures your sponsorship – and make a difference to the animals.

You can pay by debit order, or a one-off payment, via your bank, or at our branch in George (Ossie Urban Road, Tamsui Industria). Our bank details are:

- Garden Route SPCA • Standard Bank, George • branch 051001
- account 060823216 • reference “[Your surname] AAK”

If you pay via your bank, please email adming@grspca.co.za to let us know.

If you scan the form below and email it to us, filled in, we will have the details we need to contact you.
